Sub: Report on Tarunotsava Activities conducted in April 2018

Sir,

As part of the initiative taken by KVS, Tarunotsava Program was organized for the students who appeared in class X exam 2017-18. The activities were organized focusing on language skills, Career Guidance and Counselling, Hobby and Skill development and foundation for Class XI. The purpose behind organizing such an activity was to ensure that students utilize their valuable learning time in a meaningful manner.

A four period time table was prepared till noon in such a manner that students could benefit from the resources available in the school and also from resources taken from outside. The details of the program conducted is attached in the format given.
